

# M 890611-C

# SCHEDA TECNICA

2.3mm(090)

Sealed/Unsealed    sealed

Male/Female        F

Way                    2

Materials            PBT

Color                 Gray

Contact resistance    Initial            3mΩ Max.  
                                  after durability tests    10mΩ Max.

Leak current            100μA Max.

Insulation resistance    100MΩ Min.

Seal                     Initial            50kPa Min.  
                                  after durability tests    30kPa Min.
